

DriveTime

Have you been looking for great used car sales? DriveTime is the spot!

If you're in the marketplace of used car sales, DriveTime has a wide selection to offer. You can go to a big dealership and risk getting told that you don't approve when they run your credit history. Or you can go to a little "buy here/pay here" dealer and settle for a high-mileage piece of junk. You could also save up and take your chances with a private sale, buying a vehicle out of the newspaper or off the side of the road. But if you have bad credit and are shopping for quality used car sales, Richmond really has only one choice: DriveTime.

We know how exhausting it can be shopping for Richmond used car sales when you have less-than-perfect credit. That's why we do 99% of our own financing at our store locations. This allows us to examine aspects of your credit that other financial institutions wouldn't even consider for a loan. You won't have to deal with the embarrassment of telling another bank or lender your poor credit score because we are both your finance company and your car dealer. The best part of getting financed with DriveTime is that the loan will always stay with us, which means that if you have a question you can just call up the Go-to-Guys for help!

For Used Car Sales, GO to DriveTime

There are many things that make DriveTime different from our competitors. All of our DriveTime locations have a welcoming environment and a friendly staff that makes you feel like part of the family. DriveTime thinks that buying a car should be a fun, exciting experience, not one that you dread. That's why we do our best to help you find a used car that you will love and that will help improve your credit score, not make it worse. These are some of the other things that make DriveTime different from other used auto dealers:

- Each of our cars undergo a 53-point inspection before we even allow them on our lots
- An industry leading warranty is provided with the purchase of every vehicle

DriveTime definitely has the used car sales residents trust. Why go anywhere else to find a used car, when you can just go to a nearby DriveTime and find a used car that you will be proud to drive? So make your move to a Richmond store and experience the DriveTime difference for yourself.
